Forward . . .

"Teacher, where does the dew come from?"

"Teacher, how many is a million?"

"Why did the Civil War happen?"

"What do we raise in Washington State?"

"What college should I attend?"

"Why do we have to pay taxes?"

Along the way school has helped. It has brought you answers to these questions. But school has brought you something more valuable and useful. It has taught you to ask questions and seek answers. If you can walk in a field of clover and not be curious; if maps don't make you want to see the places charted; if numbers don't fascinate (even annoy) you; if being alive does not make you ask why, for what, how — we have failed.

I don't think so. This book shows where you have been. But this part of your life is finished. Hopefully, you have learned from it. Your task now is to learn as much of the world as you can and, in your turn, teach the children. Strive to know. I wish you the best of good fortune.

Seniors Thirteen Years Together

CLASS HISTORY

In September of '65, the class of 1978 entered the Arcadia Local School with a bang. We started our long 13 years with 56 class members. Three of our brave Kindergarteners, Dawn Simmons, Chris Spearman, and Brad Kennedy, took the liberty of walking home when their ride didn't show up. But they were quickly retrieved by our fearless leader, Mrs. Wallen.

We started 1st Grade with Mrs. Brenner and Mrs. Paxton. The principal's office became well known to some of our classmates when Becky Logan and Jim Nickelson's dirty pictures and Cinda Noel, Lisa Diebley, and Marla Smith were sent down for swinging on the toilet bars. The love bug started biting this year and love notes were passed around. Farell Metzger couldn't handle his, so he gave his to Mrs. Paxton to take care of.

We moved down the hall to 2nd grade and met Mrs. Hoffman and Mrs. Wolfe. The love bug was still with us and Ron Moses took the big step and kissed all the girls in Mrs. Hoffman's class. Brad Adams had a new habit of picking his nose which gave him a nickname from Sue Wells of Burger Berry Pie — We hope he has kicked this habit by now.

On to 3rd grade where we met Mrs. Treece and Mrs. VanFleet. On open house day in Mrs. VanFleet's room, someone decided to decorate the ceiling with a chunk of clay which drew the attention of many parents. This was also the year that we had our first couple go steady which were Ron Moses and Jane Coleman.

Then 4th grade rolled around and we were greeted by Mrs. Dutton and Bessie Fox. We also welcomed Kelly Boyd and Kathy Krotine. The boys had a lot of fun teasing another new classmate, Cindy Huff, who quickly acquired the name "Cow."

5th grade was a wild year! Our poor teachers were Mrs. Weaver and Mrs. Wolfe (again!). This is the year Greg Noel joined us. Terry Holman and Carol Beamer were in Mrs. Wolfe's bookcase, when one of them got a little excited and kicked out the glass. Kelly Boyd had a party and we all went to the creek where Cinda Noel got stuck in the mud and had to be pulled out by a number of classmates.

In 6th grade, we had Mr. Miller and Miss Stewart as our slave drivers. Shell LaFountain was a new class member. Cinda Noel lost her name of C. C. Bigs and now was Skinny Lou after losing weight — now she won't get stuck in any more mud! Kathy Krotine flipped Connie Lowery over a desk during a squabble and this started a two year long feud.

We finally reached Jr. High and we felt "really big": But we were considered the wiggly brats that were easy to push around. This was the year Rick Siferd, Kenny Smith, and Mary Strickfaden joined the troopers. We got to elect our first class officers who were: Connie Lowery, President, Rob Smith, Vice President, Becky Logan, Secretary-Treasurer, and Bob Pessell, Student Council. Our brave class member, Ron Moses stuck a dead mouse in his mouth for a piece of licorice. I guess he was really desperate for some licorice.

By 8th grade we got used to the shuffle of the halls and didn't like to be pushed around. We participated in the 50's day — especially when Kelly Boyd and Cinda Noel had the honors of washing red lipstick off the walls which they had kissed. Our officers for this year were: President, Lela Metzger, Vice President, Karen Grabman, Secretary and Treasurer, Rick Siferd, Student Council, Brad Kennedy.

We leave Jr. High behind and become really Hot Stuff as Freshmen. This is the year we added Brian O'Neill, along with Norma Gunhouse, and Marion Taylor to our class. In choir, we always had a good time at our office parties, especially when Bill Graber snuck in his duffle bag full of "supplies." This year's class officers were Bill Graber — President, Kathy Krotine — Vice President, Bob Pessell — Secretary and Treasurer, Lela Metzger and Brad Kennedy — Student Council. Our homecoming attendant and escort: Kelly Boyd and Ron Moses.

As Sophomores, we always liked to keep our teachers guessing, especially Ms. Purdum, the English teacher, with the disappearance of the Scarlet Letter books. (And for all you Seniors who were upset over losing your book, fear no more, here's what's left, GOODLUCK reading them.) Norma Gunhouse's locker seemed to accumulate some rotten pumpkins, a few dead rodents, and several other items from her beloved classmates. Class officers this year were: Lela Metzger — President, Carol Beamer — Vice President, Bob Pessell — Secretary and Treasurer, Brad Kennedy and Connie Lowery — Student Council. Our Homecoming attendant was Lela Metzger and her escort was Bob Pessell.

As Juniors, we decided to do a little exterior decorating, so we T.P.'d the whole school yard one night. Shell LaFountain was caught by the janitor borrowing some toilet paper for our little deed. We honored our seniors at our prom "This One's For You." Our class officers were: Brad Kennedy — President, Connie Lowery — Vice President, Sue Wells — Secretary, Kathy Krotine — Treasurer, Bill Graber and Becky Logan — Student Council. Kathy Krotine and Ron Moses were chosen as our Homecoming attendant and escort.

SENIORS — our last year! Yvonne Desgranges came back to help us live it up. The basketball team won the B.V.C. and went to Regionals and Roger Weaver placed 3rd in the state wrestling tournaments. Farell Metzger and Ken Smith lost their driving privileges when leaving before the buses left. Our class officers for our final year were: Farell Metzger — President, Marla Smith — Vice President, Lisa Diebley — Secretary, Sue Wells — Treasurer, and Bob Pessell and Jan Coleman — Student Council. Becky Logan and Ron Moses were elected Homecoming Queen and King, along with Marla Smith and Bob Pessell as our attendant and escort. Marla Smith and Bill Graber were chosen as the King and Queen of the 1978 Jr.-Sr. Prom.

Finally as Seniors, we would like to give a bit of advice to all of you coming Seniors: "Live each day of your Senior Year to its fullest, for it will never be the same again!"

Class Poem

As we took our first step into this large, spacious building, we didn't realize we would come to know every square inch of it as we lived our lives within its walls for the following twelve years.

At times the days flew too quickly — we could not grasp all it held for us to behold; then other days seemed to linger on for an eternity. Now these are precious memories we shall never forget.

Now we are looking into a new, larger building — one where the walls seem limitless.

The world is just one step away, and that step for us as seniors, is our next threshold.

Time will take its course, and we will soon look back on these days with vivid and happy memories.

Realizing that this school molded us — these teachers formed our opinions — and our parents created our minds . . .

To be free to use these experiences in our future lives is the greatest contribution we are given.

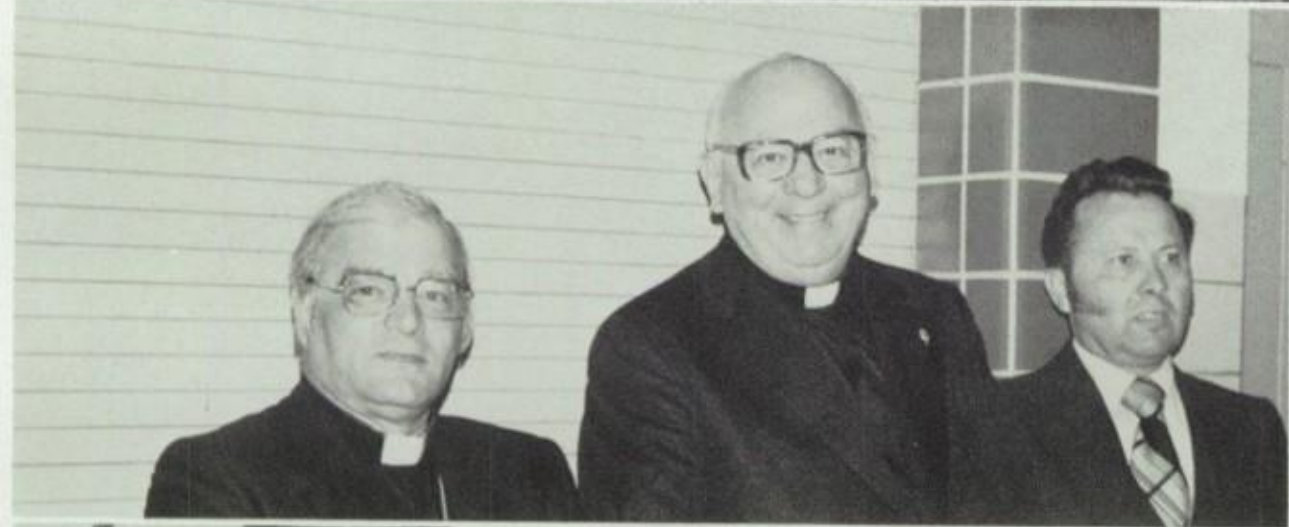

To be free to become our own person, live up to our standards and others' standards for us . . .

We look to the future with open eyes, hearts, and minds — our hopes high that we may be able to fill the shoes that those before us have filled with many accomplishments.

One thought remains in our minds — we are free to be what we are, with hopes of becoming what we are meant to be.

We will look to this thought in our future and remember our time spent in this school; the memories will live forever in our minds.

1978 Class Prophecy Written by Lisa Diebley, Read by Tom Vogel

For a long time I had been planning a vacation from my engineering plant in California. So I took a two-week leave of absence and flew home.

I arrived around noon and needed transportation. Across the road was Kennedy Rent-A-Car. I scurried across the road to find the one and only Brad Kennedy was in the auto business. He was the sign of the cat! I rented a Camaro and was on my way.

The car needed gas, so I pulled into the Sohio Station on Route 12. A truck filling up with "Smith and Sons" written on the side caught my eye. Lo and behold it was my old friend Rob Smith. We talked a while and I learned he married Kelly Boyd. She was a Musical Therapist at Blanchard Valley Hospital. They both must have been into physical therapy because of the word Sons on the truck!

I started on my way and began to smell an awful smell. I looked out the window and saw a barn full of pigs. The sign in front said, "Terry Holman's Pig Farm." I pulled in to see him, and found him up to his knees in manure. He came out and talked with me for awhile. I learned Ken Smith had his own chicken farm and Farell Metzger had his own C. B. Factory. Before I left he gave me a crate of fruit and told me Dave Weiker was in to importing fruit from Hawaii.

I drove into Arcadia and thought I'd drive around town for old times sake. There was a sign in front of the Stable that read "Under new management." I checked, and found lover boy Ron Moses was the new owner. He had a big plan for more business. He employed Becky Logan to belly dance two shows every night.

I drove further on down and saw Tina Palmer had her own movie theater. The first movie starred Dawn Zehender and Chris Spearman. It was written by Greg Noel. The movie was Jaws II.

I began to get hungry, so I went up to the Home Restaurant, now owned by Darlene Margraf.

After I finished my lunch, I walked outside and saw a big building across the street. It was never there before, so I went in. The sign out front was just a cover-up, it said Pessell Manufacturing. When I went inside I saw Bob was publishing his own underground magazine called "Girls! Girls! Girls!" There were about 20 girls standing around to see him so I didn't go in.

I went up to the school because I'd heard many of my old classmates were employed there. The Superintendent's office looked the same but behind the desk sat Lisa Diebley. Finally they got someone who knows what she is doing! She gave me a list of teachers and on it was Deb Brandeberry, Home Ec., Deb Thompson, Band Director, Mary Strickfaden, Kindergarten, Brian O'Neill, Chemistry and Physics, and Lela Metzger, English and Drama. Lela was finally getting to put on the musical she's always wanted to do, with the best casting — Oklahoma.

Cinda Noel was employed as clerk and she told me Connie Lowery was a secretary at Bluffton.

Replacing Clyde and Carolyn Cardwell as janitors was Jim and Shell (LaFontaine) Nickelson.

I began driving to Fostoria when a brown Mustang whizzed past me, then a police car. Larry Snyder had pulled Terri Sopher over. She claimed her brother had let her borrow his car and she wanted to see if she could go as fast as him.

My car began giving me problems so I pulled into a body shop to find Roger Weaver and Tony Nowicki had gone into business together. They had me fixed up in no time and I was on my way.

On my left I saw Beerco had a new sign. It now read "Holman's Beerco." Keith was probably right there making sure everything tasted okay to sell!

My throat had been feeling kind of sore so I stopped at a payphone to look for a doctor in the phone book. "Graber" caught my attention! so I went there. Nurse Sue Wells took my blood pressure and temperature. She told me Bill hadn't changed at all, and I believed her when he came in wearing that arrow on his head. He examined me and said it was just strain and I'd better stop talking so much. I told him what he could do with his arrow!

Sue told me Marla Smith was Court Reporter for the Hancock County Courthouse. I thought I might catch her at work, so I drove to Findlay. Boy did I catch her at work! Judge Daryl Bachorik was at the desk. Tim Hitchings was on trial for being "too much of a lady's man" and Yvonne Desgranges was doing her best to get him off. She even called Social Worker Kathy Krotine home from Colorado to help.

My day to leave came all too quickly. I decided to take some other means of aircraft back to California, so I signed up to go by Blimp. Jane Coleman was the best stewardess I'd ever had. When it came time to meet the pilot I found I already knew him. He was none other than Brad Adams!

I had a safe trip home and enjoyed my vacation very much. I knew my classmates would shape this community up!!!

Although the choir has had some problems getting concerts scheduled this year, everyone found out it was well worth the wait. This was a year of firsts for the choir. It was the first year there was a select choir chosen to sing at concerts. It was also the first year for girl's glee. Besides these exciting additions, three choir members were chosen to participate in District Choir and ten were chosen for All-County Choir. The choir sang at the Winter and Spring concerts under the direction of Mrs. Barb Ebersole and all agreed the choir is one of the joys among the realities of life.

The 1977 Marching Redskins capped a successful season with a banquet at the Elks Club in Findlay. Some of the memories brought back at this banquet were the first place trophy from a Pemberville Marching Band Contest, the Anthony Wayne Marching Band Festival, marching in the rain at the Findlay Festival, the Vermillion Festival and the Bluffton College football halftime.

Our own football halftimes included some new contemporary music including: Jesus Christ Superstar, Send In The Clowns, and Spirit of a New Nation. This season also included a lot of exciting new drills. This season will not be one easily forgotten.

The Senior Harvest Supper of the class of 1978 started out slow, but the advisors kept us on our toes and we had a successful Supper for people far and near.

Seniors Host Winter Formal

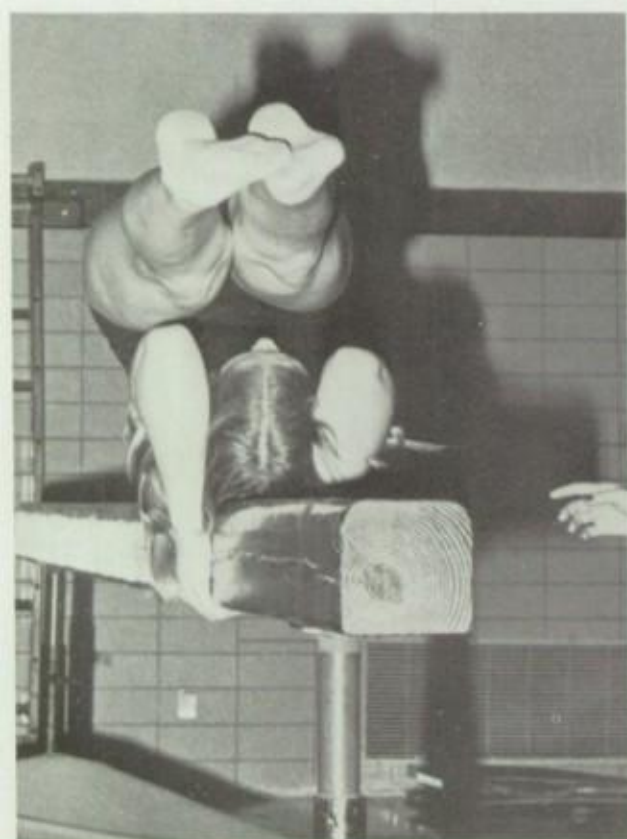

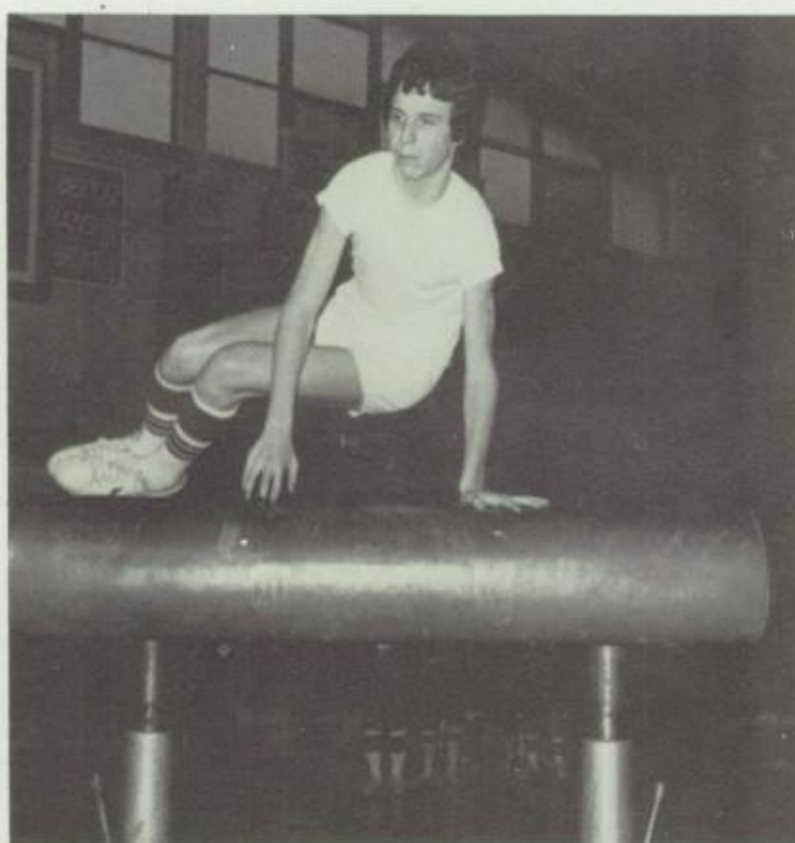

On January 14, 1978, the Senior Class sponsored a Winter Formal for grades 9 through 12, featuring the Fullhouse Band from Toledo. It was a night to remember by all that attended.

Arcadia Dances And Flip — Flops!

The talent Arcadia gymnasts have goes along with the saying: "Today's mighty oak is yesterday's nut holding its ground."

April 21, 1978 was the memorable night in which many students displayed their skills. Many dances and routines were performed for a good crowd. A large thanks to Mrs. Browne and Mr. Bedlion.

Jr. — Sr. Banquet and Prom

"Reflections in Time" was the theme for the 1978 Junior—Senior Banquet and Prom which was held on May 13, in the school cafeteria. Mr. Slough was honored with a special dedication for his many years of service at Arcadia. Bill Graber and Marla Smith were chosen King and Queen. Music for the dance was provided by "Mother Earth", following the banquet which was catered by Petti's. Post prom followed, at Seneca Lanes in Fostoria. It was a night to be remembered as one of the many "Reflections in Time."

This year's junior class has been very busy with many money-making activities. Among these their cider sale, Easter egg sale, basketball concession stand and cake raffle have been large successes. With only one year of high school left to go, the juniors have been working and using their imaginations to face and handle all the many realities that have been rising up to meet them as they make their way toward graduation.

Juniors Caught in the Act!

SOPHOMORES — The Young and the restless? Young, well maybe sometimes — Restless, YES! This year they were busy with two dances, one in November and one in April. Also a record raffle was held at each dance. A very original, new class project this year was selling lightbulbs. And to finish the year, a car wash is scheduled for May 27. We hope the Sophomores carry this spirit always.

But Jesus called them unto Him and said,
"Suffer the little children to come unto me
and forbid them not; for of such is the king-
dom of God."

Luke 18:16

E L E M E N T A R Y

This little boy was one of a kind
We'll remember him always in our minds.

This kid knew all the ropes
He was smart and full of hopes.

Trouble was his favorite game
Always doing things, someone else getting blamed.

A football star in his fourth grade year
Brought him many friends to remember him dear.

This little blonde-haired, blue-eyed boy
Brought many happiness, peace, and joy.

Please, Jesus, keep him under your wing
Where he can laugh and shout and sing.

He isn't dead, he just went away
We'll see him again on some glorious day.

We have had an interesting and fun year. In the fall we studied Indians and went on a field trip to see where Indians once lived in Ohio. We had a high school visitor from South America and also saw pictures a friend from Korea shared. It was an eventful 1977-78.

Learning Disabilities

Mr. Leckey and Mrs. McKinney, L.D. Teachers

The children in the L.D. class come to the center for special help in areas where they have difficulties. Such areas include Math, Reading and Language. Individual help is given and is the main emphasis of the program. The children also participate in the regular classroom schedule.

Elementary Talent

On December 20, 1977, at 7:30, grades 1-2-3 put on "SANTA'S MAGIC MACHINE", under the direction of their music teacher, Mrs. Cronenwett. Likewise grades 4-5-6 performed Arcadia Hee Haw, April 26, 1978, at 7:30. As seen in these two programs, there is much elementary talent!

WHY FINDLAY?

Going away to school has its advantages. But have you considered the advantages of going to a school near your home?

1. The people you've made contact with during your high school years don't lose track of you for four years. They can watch you grow from a high school graduate into a mature, thinking adult — and perhaps provide some of the guidance and experiences that help you along the way.
2. The people you'll meet at college — local teachers, principals, and business people — are all leaders in your community. And if you plan to live in the Hancock County community after graduation, these same people will be in position to hire you for your first job.
3. You can live at home and save some of the high costs of education.
4. And if you live at home, you're more likely to keep up with a part-time job — helping you make the money you'll need at college. Here you may make contacts that will help you with your career.

How about it? Is it worth looking into? Contact the Admission Office at Findlay College, 422-8313.

We, the staff of the 1978 Arcadian, realize that every aspect of student life cannot be covered, but hope that everyone's dreams are met with good realities from our old Alma Mater, Arcadia High.

We would like to thank everyone who made this annual possible with a special thanks to our advisor, Mrs. Evelyn Knouse, Tom Kiess and Steve White, our Taylor Publishing Representatives, and Woodard's Photographic.

Also a special thanks to Mrs. Gallant and Cinda Noel and finally the most important, you the community who support us.

Thank you,
The 1978 Yearbook Staff

The Road Not Taken

Two roads diverged in a yellow wood,
And sorry I could not travel both
And be one traveller, long I stood
And looked down one as far as I could
To where it bent in the undergrowth;

Then took the other, as just as fair,
And having perhaps the better claim,
Because it was grassy and wanted wear;
Though as for that the passing there
Had worn them really about the same,

And both that morning equally lay
In leaves no step had trodden black.
Oh, I kept the first for another day!
Yet knowing how way leads on to way,
I doubted if I should ever come back.

I shall be telling this with a sigh
Somewhere ages and ages hence:
Two roads diverged in a wood, and I—
I took the one less travelled by,
And that has made all the difference.

Robert Frost
